**December 3:
Let's celebrate the International Day
of Persons with Disabilities**

"Our challenge is to provide all people with the equality of access they need and deserve. Ultimately, this will create a better world for all."

Message from Mr. Ban Ki-moon,
Secretary-General of the UN, December 3, 2012

Today, Tuesday, December 3, 2013, marks the **21st International Day of Persons with Disabilities**, proclaimed by the United Nations in 1992.

This day is the occasion for us to support and share our conviction of the necessity of **ONE WORLD FOR EVERYONE**, based on the principle that *"All human beings are born free and equal in dignity and rights."*

The World Summit Destinations for All follows the theme of the day as declared by the United National (UN): "Break Barriers, Open Doors: for an inclusive society and development for all"

The organizing committee is proud to contribute to the collective efforts in establishing an international strategy to develop accessible and inclusive tourism for all.
