UN MONDE POUR TOUS | ONE WORLD FOR EVERYONE

CALL FOR ABSTRACTS DEADLINE

Ready to submit your abstract?
Deadline is **Monday, March 17th 11:59PM (EST)**

Submit your Abstract

Why submit an abstract?

The first-ever World Summit is inviting all key players and stakeholders to help us **build a common framework for action**; seeking to ensure that all tourism destinations and providers have the tools and strategies to make their environments, products, services and information **accessible and inclusive** to all visitors.

It is time for all players in the tourism industry, big and small, to address and embrace this growing market and cater to those who currently do not travel as much as they would like to, have fewer choices when travelling, and whose experience of the world is governed by barriers which we have the ability to remove.

Through your examples of best practice cases, hard evidence and inspirational presentations from people like yourself, this Summit will show that achieving accessibility is a **'Win-Win-Win'** for **Destinations, Businesses, and Customers.**
