CALL FOR ABSTRACTS DEADLINE EXTENDED

Due to an increasing demand to extend our deadline to submit an abstract for the **World Summit Destinations for All**, we are pleased to announce that we are now accepting submissions until **Monday, April 7th 11:59PM (EST)**.

Key players and stakeholders like yourselves will help us build a common framework for action; seeking to ensure that all tourism destinations and providers have the tools and strategies to make their environments, products, services and information accessible and inclusive to all visitors.

The first-ever World Summit is inviting you to share your best practices in accessibility or to present your research(es) about the industry. Don't miss your chance to be a voice for Destinations for All.
